

2015 CHNA-HIP Community Health Survey – SCHD Website Post

Posted Date: April 1-April 30, 2015

The screenshot shows the Scott County Health Department website. The main content area features a green header for "HEALTH DEPARTMENT FEATURES" and a sub-header "Community Health Survey - We Need Your Input!". The text explains that the health entities in the community (Scott County Health Department, Rock Island County Health Department, Community Health Care, Inc., Genesis Health System, Unity Point Health - Trinity, and the Quad City Health Initiative) are undertaking a health needs assessment. It emphasizes that the survey is anonymous and can be completed in less than 10 minutes. A link for the "2015 Community Health Survey" is provided. Other featured items include the "QC Disaster Readiness Conference - April 7, 2015 - REGISTRATION IS OPEN" and a "Request for Application: Medical Examiner Transportation of Bodies for Autopsy". The right sidebar contains various community links like "Health Inspections", "Air Quality", and "Waste & Septic".

HEALTH DEPARTMENT FEATURES

Community Health Survey - We Need Your Input!

Beginning in late 2014, the health entities in our community, Scott County Health Department, Rock Island County Health Department, Community Health Care, Inc., Genesis Health System, Unity Point Health - Trinity, and the Quad City Health Initiative, began undertaking the process of planning the next health needs assessment of our community. **We need your help!** As a member of our community, your input is valuable. What do you feel are the health related needs that impact your family and neighbors the most? Please share your opinion with us by taking this very short survey. The survey is anonymous and can be completed in less than 10 minutes! Results of the survey will help us plan ways to make our community healthier. Click below to get started:
